Sir,

As you are kindly aware that renewal of "Aikyashree" scholarship is one of the services which is being provided from the Duare Sarkar Camp (16th August to 15th September).

In the year 2020-2021, we were able to provide more than 39 lakh scholarships to the students under this Scheme. This year we are expecting that at least 20-25 lakhs students would apply for scholarship under the Scheme through the Duare Sarkar Camps. Also, the receiving of fresh applications has started, though it is not part of the Duare Sarkar.

For sanctioning the scholarship in a time bound manner, the 1st level of verification of the applications at the Institute Level is of utmost importance.

I would request you to kindly issue necessary instructions to head of all the schools/ colleges/ universities under your department to complete the verification of the applications for scholarship of the students studying in their institutions within 2-3 days of the filing of applications in order to achieve the target set for Duare Sarkar campaign as well as for the year.

Subject: Verification of the applications received under Central Sector Scheme of Scholarship for College and University students -Regarding.

Sir/ Madam,

I am directed to say that the Ministry of Education is implementing the Central Sector Scheme of Scholarship for College and University Students (CSSS). Under the Scheme 82000 fresh scholarships are awarded every year to the meritorious students having annual family income upto Rs. 8.00 lakhs. Every year applications under the Scheme are invited through National Scholarship Portal (NSP). For the current Academic Year 2021-22, Portal has been opened from 18th August, 2021 to 30th November, 2021, for inviting applications under CSSS scheme.

2. The Department has noticed that the CSSS renewal applications are lying pending at State Level and Institute Level for verification, thus resulting in delay in disbursement of scholarships to the renewal beneficiaries.

3. Therefore, the School Education Board is requested to verify the applications at the State Level on regular basis, and to issue directions to the respective institutes for verifying the application on priority basis. Further, the Board has to make continuous efforts toward getting maximum students enrolled under the scheme and assure that sufficient applications are received before the closure of the Portal so that maximum eligible underprivileged students can get the benefit under the Scheme.
